Statement of Work Practices

We commit to the following Work Practices :

Communicate

- Effectively
- Positively
- Productively
- Consistently

Respect each individual's unique skills, strengths and input and the role they play in the organization

Trust each other and the processes in place to maintain a work-place which is satisfying and flexible

Support and Assist each other and expect support from both individuals and other sub-teams within the organization and external agencies

Persevere even in the face of adversity

Welcome new initiatives and **Create** new opportunities
