

FRONTIER ACADEMY
OF FURTHER LEARNING

Energize Monday to Friday 9am—10am
“Each new day is a new opportunity to improve yourself!”

Our Fitness program **Energize** runs from **24/7 Exercise Gym**, a very short walk from Frontier Academy. Students work from a tailored fitness program designed by Frontier in collaboration with each student’s health care professionals.

Expressionists Mondays 10am—2:30pm
“There is no greater freedom than the freedom to be yourself!”

This is where the wheels turn, and our amazing projects are born. You could call Mondays the engine room of Frontier Academy. Every project we are involved in, takes shape in an all inclusive boardroom style environment. It is also the birthplace of our highly praised monthly Newsletters.

Adventures Tuesdays 10am—2:30pm
“Adventures open your heart, broaden your mind and leave you with stories to tell... Never lose your sense of adventure!”

This program encourages students to reconnect with the outdoors and encompasses physical activity, community integration and social interaction. Activities include bike riding, sports, events, field trips and a lot more.

Aurora Productions Wednesdays
10am—2:30pm
“Filmmaking is a chance to live many lifetimes!”

From an award nominated short film to a big screen production, our filmmaking program encompasses the skills necessary to work on a film set. Students have the opportunity to learn all aspects of film production. Each year a number of projects are completed, they have included work on a Bollywood feature film, and the Aurora Productions award nominated short film “I Am Proof”

Futures Thursdays 10am—2:30pm
“We never stop learning, because life never stops teaching!”

This program provides students with activities designed to build self-confidence and leadership skills, whilst encouraging individual strengths. Students have the opportunity to maintain and further develop vocational skills, work on resumes, participate in work experience and taster activities, encouraging team cohesion whilst building strong minds.

Writers Club Fridays 10am—2:30pm
“Explore the power of words, write like it matters and it will!”

This program not only provides students with a platform to practice reading and writing skills, it encourages collaboration, debate, confidence in public speaking and creative thinking. Projects have included an original children’s book, several screenplays and a stage play.
